### Professional Experience:

#### 2004 - Warrenstreet Architects

#### 1990 - 2003 Sherman Greiner Halle' Ltd (SGH), Concord, New Hampshire

Architect and Secretary/ Treasurer of SGH, a firm providing Architectural, Landscape Architectural and Land Planning Services in the New England and Mid Atlantic states. Jonathan is responsible for the architectural contract documentation and presentation graphics of SGH's projects, among other administrative and marketing duties. He has been engaged in the general practice of architecture for over 15 years, contributing technical and design expertise in commercial, mixed-use, multi-family and single family residential/ renovation projects. Jonathan's skills have allowed for broad involvement in many projects, ranging from initial project programming, zoning and code reviews, construction administration, and post-construction services.

#### 1989 - 1990 Matarazzo Design Inc, Concord, New Hampshire

Senior Project Manager engaged in general practice of Architecture with design and technical experience in commercial and mixed-use housing. Additional administrative skill in verbal and written communications, staff management, projects marketing, financial management and client maintenance. Design and graphic skills range from conceptual design and construction documents to marketing graphics and planning board presentation packages.

#### 1983, 1984, 1987 - 1989 Meehan Architects, Manchester, New Hampshire

Project Manager/Designer with responsibilities including architectural design, graphics, space programming, project documentation and management of commercial, mixed use and residential projects. Managed studio teams of two to six people and had extensive client contact. Responsible for the Full design through construction administration for several large residential and commercial projects.

#### 1986 - 1987 Daniel A. Bisson PA, Hollis, New Hampshire

Job Captain/Designer engaged in the general design of single family homes, residential renovations and restorations. Responsibilities included all office presentation graphics.

#### 1985 - 1986 Domus Arc, Inc, Newport, Rhode Island

Job Captain in Residential Architecture firm, responsible for the coordination of construction documents for two large residences, located along Ocean Boulevard, Newport, Rhode Island.
